

The site plan illustrates the layout of Stayton High School. Key features include:

- Baseball Field:** Located on the left side of the plan.
- Football Field:** A large rectangular field in the center, oriented vertically.
- THIS PROJECT:** A rectangular area outlined with a dashed border, situated between the baseball field and the football field. A leader line points to this area from the label.
- Existing School Buildings:** Several rectangular structures are shown, primarily on the right side of the plan. One building is labeled "REGIS HIGH SCHOOL".
- Dimensions:**
 - The overall width of the site is marked as 882.3' along the bottom boundary.
 - The depth of the site is marked as 658.4' along the left boundary and 658.1' along the right boundary.
- Orientation:** A north arrow is located in the upper right corner, pointing towards the top right of the page.
